Special Delivery

Every day, every hour, all year long We provide and support families in caregiving, help families in caregiving crisis and we help to manage the burden associated with long term care needs. We serve the following four groups of people. We serve older adults who want supportive living services DELIVERED IN TO the place they know by heart their home, so they can continue to live at home for as long as possible. We serve the adult children (some in the sandwich generation) of the older adults who want to remain in the home. We serve the social workers, case managers and discharge planners in offering options and solutions for their patients. We will go to the care settings 7 days a week to meet and design care options. We serve long distance family caregivers with nurse navigators, care management and care coordination services.
